Deputy Head Boy and Head of Education

Aug'22 - June'23

Part of the Student Leadership Board at Emirates International School Jumeirah

Collaborated with a team of 12 students to enhance student experience through community events, competitions, etc. to make a positive difference and leave a lasting impact on the school's history.

Responsibilities include:

- Organising senior school jackets
- Planning events such as Pink Day (Breast Cancer Awareness), International Day, and National Day
- Representing the school at official events and meetings
- Acting as a liaison between the student body and the senior management
- Effectively managing resources for the student body

Barcelona International Youth Science Championship (BIYSC 2022)

July 2022

Investigating the Medicine Behind Organ Transplantation

Conducted at the Bellvitge Hospital, Spain, and the University of Barcelona, this course focused on the medicine behind kidney transplantations, including diagnosing patients and observing transplants on living donors and recipients.

Achievements Include:

- Used Da Vinci robotic surgery machines for practicing sutures
- Observed two live kidney transplantations
- Used peritoneal and haemodialysis
- Diagnosed Lupus and identified stem cells in urine
- Assisted professional practitioners in physical patient interactions and consultations

Shadowed Doctors in India
Rainbow Hospital, Panipat

2022

As the only hospital with neonatal facilities in the district, it receives families from villages with dying new-borns needing urgent care.

Things learnt:

- Being a doctor requires empathy, which consequently requires physical, mental, and emotional resilience

www.aaditay.com

- Clear communication with patients in their preferred language is crucial for optimal treatment

F1 in Schools

Sep'20 - June'22

Design Engineer | Resource Manager

Across the span of two years, I worked with my teams in an international STEM (Science, Technology, Engineering, Mathematics) competition, in which students have to design and manufacture a miniature car out of the official F1 Model Block using CAD/CAM design tools.

Achievements Include:

- Team ranked First in intra-school competition
- Team ranked First in the UAE (Race time only), Third in the UAE (Overall National time)
- Acquired Mazars and Pinas Express on board as sponsors for the team

EISJMUN

Nov'21 - June'22

Deputy Secretary General (DSG)

As DSG, I handled many of the administrative responsibilities of the Secretary-General, which included managing Secretariat operations, and ensuring smooth execution of activities and programmes of an international event.

Responsibilities Include:

- Organising the Executive Team
- Bringing sponsors
- Liaising with student delegates internationally
- Marketing the Conference
- Obtaining catering contracts
- Organising the social event venue at V Hotel by Al Habtoor
